Though varying wishes, hopes, and fears,
Fever'd the progress of these years,

seem

The recollection of a dream

—Scott, Walter - Marmion

Dedication . . .

The faculty of this junior college will long hold a page in our book of memories. It is they who have devoted their lives to develop further our knowledge, understanding, and perception of life. And it is to them that we, the 1957 Pioneer Staff dedicate this book.
